

*I can't wait to see you ...*

Dear Primary 7, (that's right! It's official. You are Primary Seven!)

I am so excited to be welcoming you back in August. I hope you have had an incredible summer full of sunshine and fresh air. I have been doing lots of swimming in the outdoors and big walks with Marley.

You have so much to look forward to this year! Camp, P1 buddies, promo/festival, Burn's supper, visits to high school and lots more that I will surprise you with along the way. I know you are going to make such good role models to the rest of the school and will really enjoy the roles and responsibilities you get as a Primary Seven.

Sometimes change can be scary but don't worry you can talk to me anytime about anything that is worrying you and I will do everything I can to help.

I have so enjoyed being your next-door neighbour and now I get to have you in my room for the whole year! I know you have lots to teach me too and I can't wait to hear your ideas for what you would like to do in the coming year.

Soak up the last of that sun and I will see you soon!

Miss Innes
