Literacy Lunch Club

Dear parents/carers,

We are looking to set up a lunch club for pupils who find literacy difficult. The club will be ran by a member of the additional support for learning team who will work alongside 2 parent volunteers. The hope would be this could then keep running with the parent volunteers once the additional support for learning teacher was finished her block with us. The commitment would be one lunch time a week from 12.15-1.15.

If you would be interested in supporting this lunch club or running another lunch club, please indicate this below.

Thank you.

Yours sincerely

Kate Mechie
Depute Head
